

# Your Money Map

Seven Step Guide to True Financial Freedom

Author: Howard Dayton

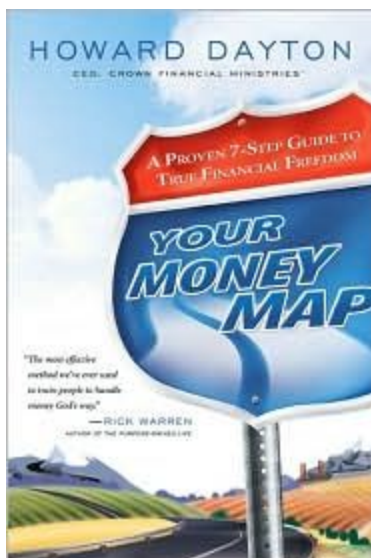

Purpose: To understand God's perspective of earthly possessions, including money, and how we fit into His plan

## Money Map

| Destination 1                       | Destination 2  | Destination 3  | Destination 4   | Destination 5  |
|-------------------------------------|--|--|---|--|
| Spending Plan<br><br>\$1000 Savings | Pay off credit cards<br><br>Savings increase to one month expenses | Pay off all consumer debt<br><br>Savings increase to three months expenses | Begin saving for major purchases (Ex. Home/car)<br><br>Save for retirement<br><br>Save for children's education | Buy affordable home<br><br>Begin to prepay mortgage<br><br>Begin investing |

| Destination 6   | Destination 7   |
|---|---|
| Pay off home mortgage<br><br>Complete children's education funding<br><br>Confirm estate plans are in order | Complete retirement savings<br><br>Be more generous with time and money |

This study does not intend to make you live like a pauper nor is intended to show the way to financial wealth.

## Goals

Control our money/possessions instead of being controlled by greed, selfishness, or "stuffitis"

Learn to be patient and consistent

Break money myths

Prepare for emergencies and the unexpected

To be debt free sooner rather than later

*To experience the joy of financial freedom while serving Christ*
