

Men make a difference in today's society. This conference hopes to provide ideas:

- ✚ To bring men closer to Christ.
- ✚ To strengthen families by strengthening husbands and fathers.
- ✚ To inform men of all ages, including high school students:
 - The wonders and truth about our Catholic Faith
 - The obstacles that serve to pull men away from a strong relationship with God and with their families
 - The way to deal with the obstacles that a secular society sets in front of all of us
 - The theological hope that brings individuals the strength to be real men of faith in our beliefs
 - How to better prioritize the true meaning of our Faith in every part of our lives.
