

Celebrating our Faith Without Borders Community Partners

Faith Without Borders Community Partners received a blessing from Fr. Maletta while our parish family extended their hands over our guests in prayer.

It was a truly inspirational and historic event to welcome our interfaith community partners to St. John the Evangelist's Family Mass on August 24th.

Community Partners represented the following faiths: Muslim, Methodist, Seventh Day Adventist, Non-denominational Christian and Catholic.

Faith Without Borders members and Community Partner representatives from *Children of Abraham*, *Food Bank of Northwest Indiana*, *American Red Cross*, *Mail Boxes, Etc.*, *St. Margaret Mercy*, *Emergency Preparedness Coalition* and *St. John the Evangelist School* provided information about the ministries.
