

# Faith Without Borders – Medical Supply Ministry

## TOUCHING THE LIVES OF OTHERS AROUND THE WORLD

### With Children of Abraham Medical Supply Shipments

Exam tables, surgical equipment, medications, and other medical supplies were shipped to **Beirut, Lebanon**.

A 40 foot container of supplies will arrive at **Haddad Hospital for Rosary Sisters** and a 20 foot container will assist the **Centre Hospitalier Bhannes for the Charity Sisters** as they provide care for the people in Lebanon.

Members of our parish's **Medical Supply Ministry** united with members of local Muslim and Methodist congregations at **Children of Abraham** warehouse in Munster to pack desperately needed medical supplies into semi-trailer containers.

Gerard Skaro guides Tristan Koke and Ronnie Previs as they load a semi-container for Lebanon.

New Medical Supply Ministry volunteer, Natalie Hoye, joined the interfaith team at Children of Abraham.

Richard Koke, Don Maravilla, and Susie Maravilla assist with medical supply sorting, packing and loading.

Look for volunteer announcements in the next few weeks for a shipment loading to **Malawi, in Africa**.

**Call Kathy & Gerard Skaro at 708-307-4450** to get on the call list and email list for this ministry.
