

Faith Without Borders – Medical Supply Ministry
TOUCHING THE LIVES OF OTHERS AROUND THE WORLD
With Children of Abraham Medical Supply Shipments

Eleanor Betts and Kathy Skaro wrap boxes to protect the valuable medical supplies inside for the long shipment journey.

Exam tables, surgical equipment, medications, along with other medical and therapeutic supplies were shipped to **Beirut, Lebanon.**

A 40 foot container was packed and shipped to Iraq on January 10th. The load is now in transit to the **Basrah Maternity and Children's Hospital in Basrah.** We feel extremely privileged to be of assistance to the mothers and children of Iraq.

***Future shipments are scheduled for:
Somalia, Bangladesh and Gaza***

Members of our parish's **Medical Supply Drive Ministry** unite with members of local Muslim and Methodist congregations at **Children of Abraham** warehouse in Munster to pack desperately needed medical supplies into semi-trailer containers.

Gerard Skaro (center white shirt) works with the interfaith group of volunteers to lift an exam table. Gerard is the co-chair of SJE Medical Supply Drive.

Volunteers are needed for future container shipments to third world countries. You can make a difference in the lives of people around the world.Join today!!!

Call Kathy & Gerard Skaro at 708-307-4450 to get on the [call list](#) and [email list](#) for this ministry.
